

STATEMENT OF RELATIONSHIP

Central Intelligence Agency - Munitions Board

1. Munitions Board will delegate rating authority to Central Intelligence Agency as authorized by National Production Authority in letter of 1 November to Secretary of Defense.
2. Central Intelligence Agency will claim to National Production Authority through procuring departments and Munitions Board; and will furnish such justification statements as may be required by National Production Authority. Central Intelligence Agency will be responsible for the adequacy and accuracy of its requirements statements:
 - (a) Requirements for items to be purchased by the military departments for Central Intelligence Agency will be furnished the procuring elements, and will be combined with departmental requirements before presentation to Munitions Board.
 - (b) Requirements for the remainder, to be purchased by Central Intelligence Agency, will be furnished by Central Intelligence Agency to the Munitions Board (Priorities Controller, DRC) in the same manner and on the same forms as military requirements.
 - (c) Munitions Board will present a combined Department of Defense and Central Intelligence Agency claim to National Production Authority.
3. National Production Authority will allocate rating authority to the Munitions Board, including Central Intelligence Agency approved purchase programs.
4. Munitions Board (Priorities Controller, DRC) will be responsible for re-allocating to Central Intelligence Agency the allocation for Central Intelligence Agency's procurement (2 (b) above) by Department of Defense major claimant program codes, and will maintain the control accounts.
5. Central Intelligence Agency will use DO ratings with the Department of Defense 2 digit program codes in accordance with policies and procedures concurred in by Munitions Board (DRC).
6. Central Intelligence Agency will be responsible for compliance with the quantitative allocation directives issued, and for conformance to record-keeping and reporting requirements of National Production Authority and Munitions Board.
7. Central Intelligence Agency will furnish Munitions Board (Priorities Controller, DRC) with reports of use of such allocations, in the same manner as other Department of Defense delegates.
8. Munitions Board will submit a combined report on Department of Defense and Central Intelligence Agency use of rating authority to National Production Authority.
